PART 1

Tools every student gets

Runbook · Tests · Journal · Doubts · Notebook · Progress · Batch Live

BATCH RUNBOOK

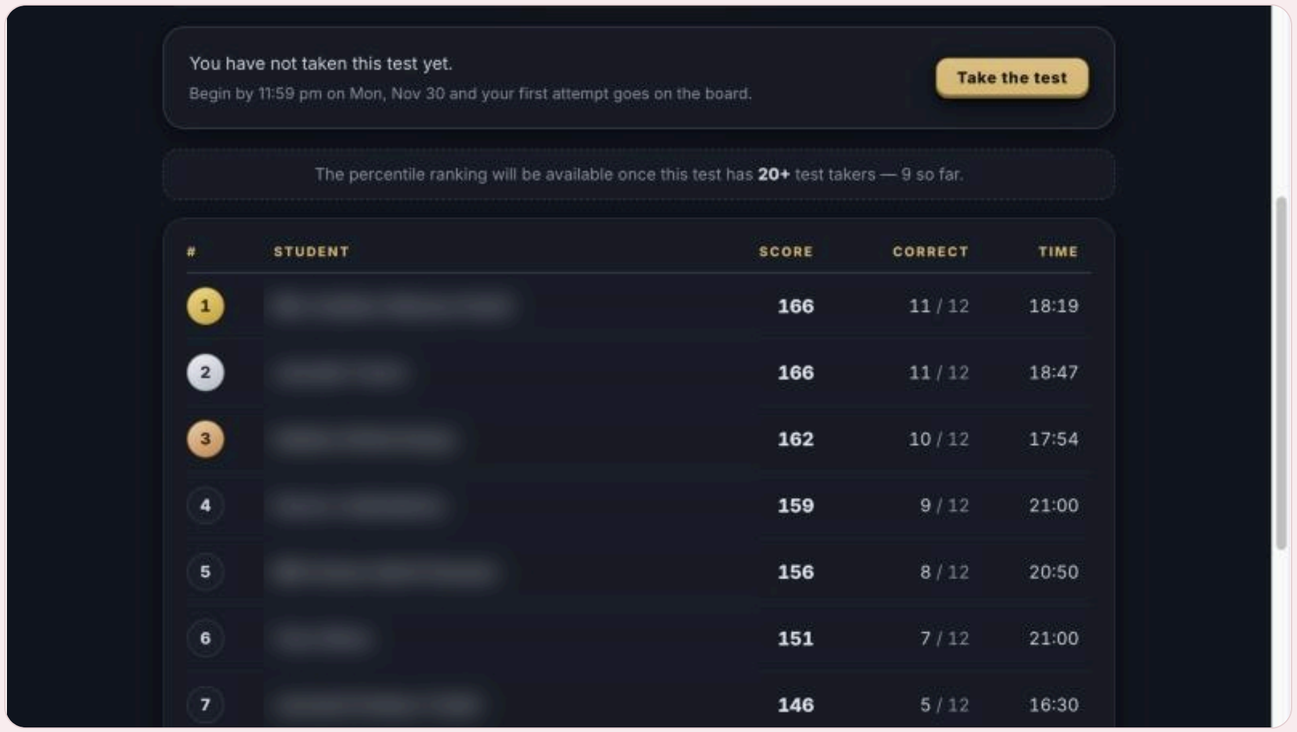
Before every class, open the runbook

1. Open Runbook and pick your batch
2. Next Class Prep tells you what to do before the next class
3. Quick Links, This Week and Class Records hold every link and PDF
4. Search any class, link or word
5. Older batches’ runbooks sit under All runbooks

DAILY AND WEEKLY TESTS

Take the test, then see your rank

1. Open Daily & Weekly Tests from the runbook
2. Your first attempt counts; retakes never change your rank
3. Take it late and you still see where you would have placed
4. Weekly tests: 12 Verbal + 12 Quant, two scores, two leaderboards
5. Percentiles show once 20 or more students have taken a test



JOURNAL

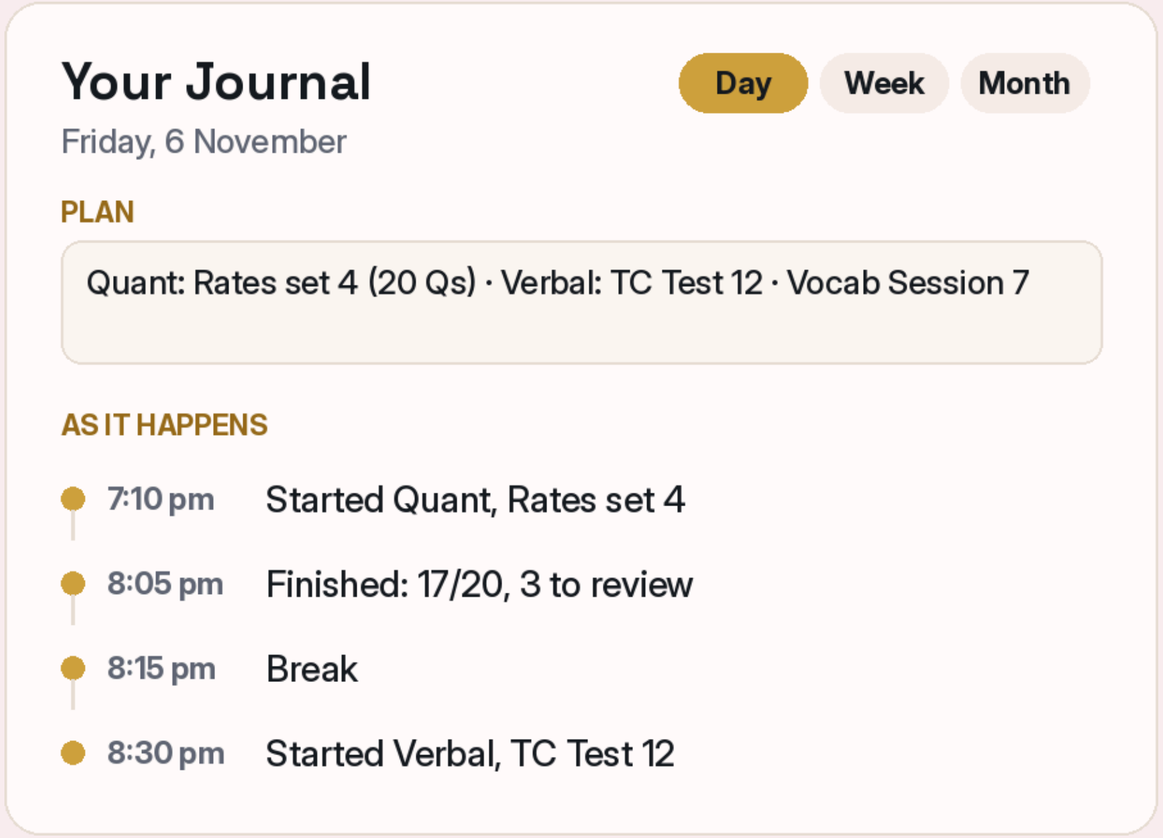
The social media you need during your season of silent growth.

Only you and Aiyaz see it.

JOURNAL

Plan the day. Log it as it happens.

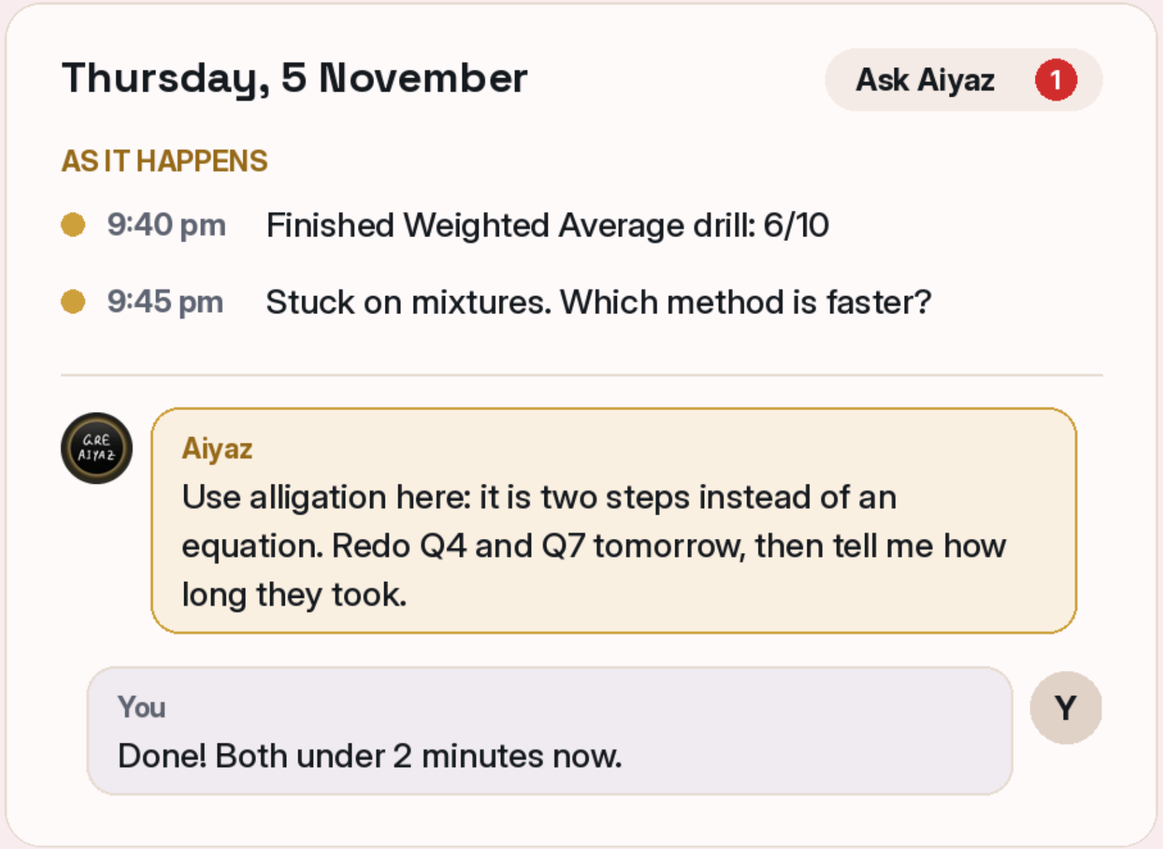
1. Open Journal and fill in About you once: your goal, exam date, hours a week
2. Set this week’s goals; the week starts on Sunday
3. Write each day’s Plan: be specific, the book, the set, how far
4. Under As it happens, tap Now starting, Finished or Break and add a line
5. A day stays open till 6 am next morning, then locks



JOURNAL

Aiyaz reads it. And replies.

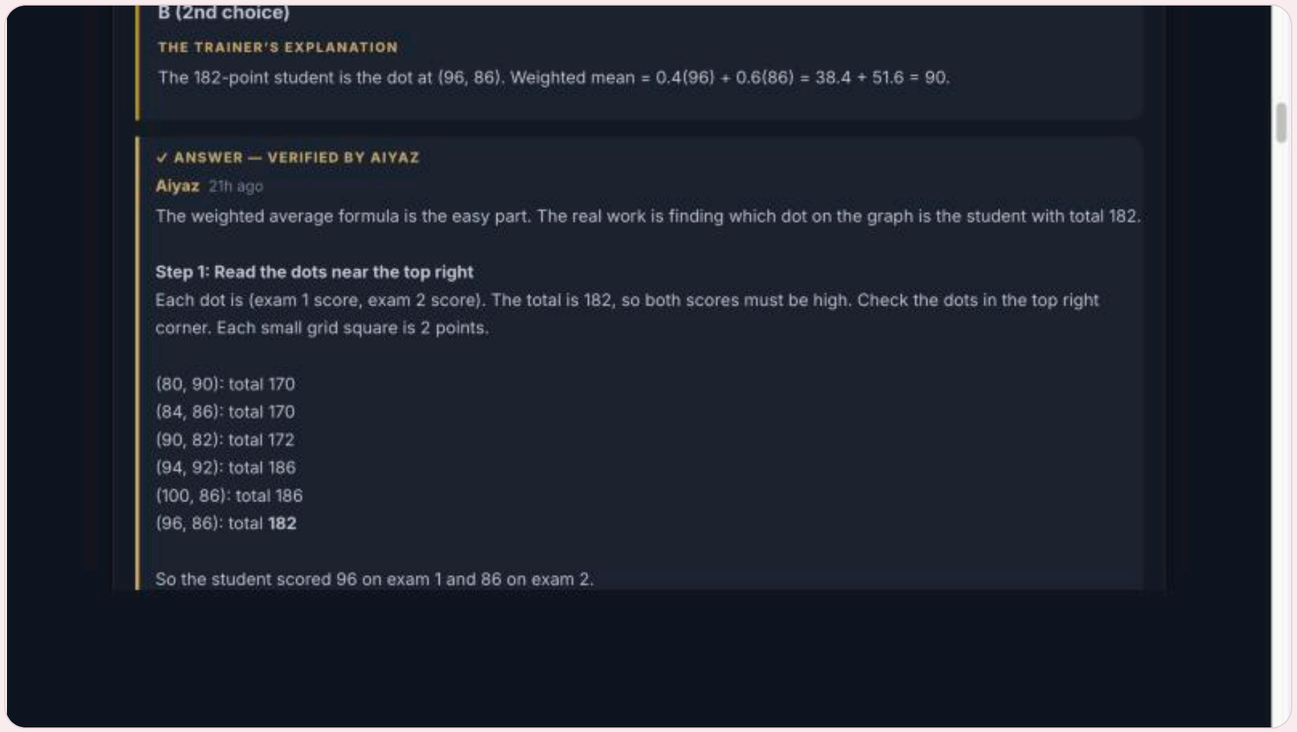
1. Aiyaz reads every journal
2. Tap Ask Aiyaz on a day, week or month to ask him something
3. His reply appears under the entry; reply back
4. See How I journaled: a page from Aiyaz's own study journal



DOUBTS

Stuck on a question? Ask on it.

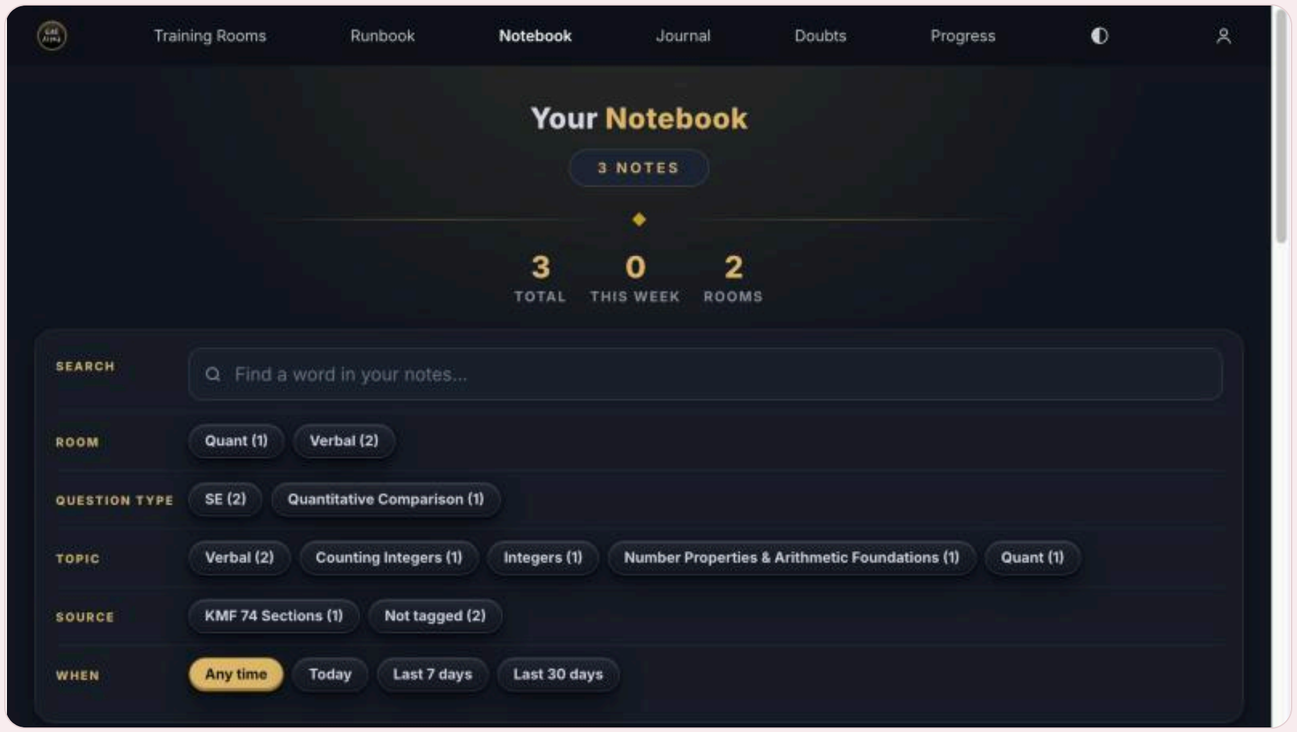
1. Press Doubts at the bottom of the question
2. Write what you don’t get; the question and the trainer’s solution go with it
3. Anyone in the batch can answer
4. Aiyaz’s tick marks the verified answer
5. Open Doubts in the top bar to browse, filter by GRE or IBA and by room



NOTEBOOK

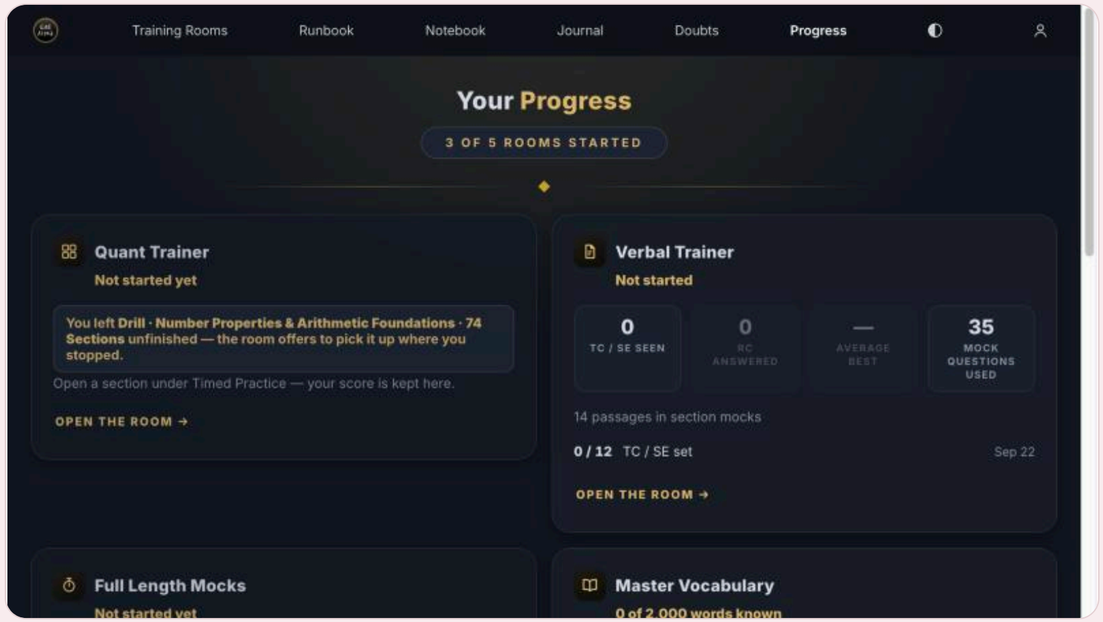
Save it. Revise it.

1. On any question, press Note this question
2. Add a line in your own words
3. Open Notebook to revise
4. Filter by room, question type, topic, source and date
5. Search every note you have written



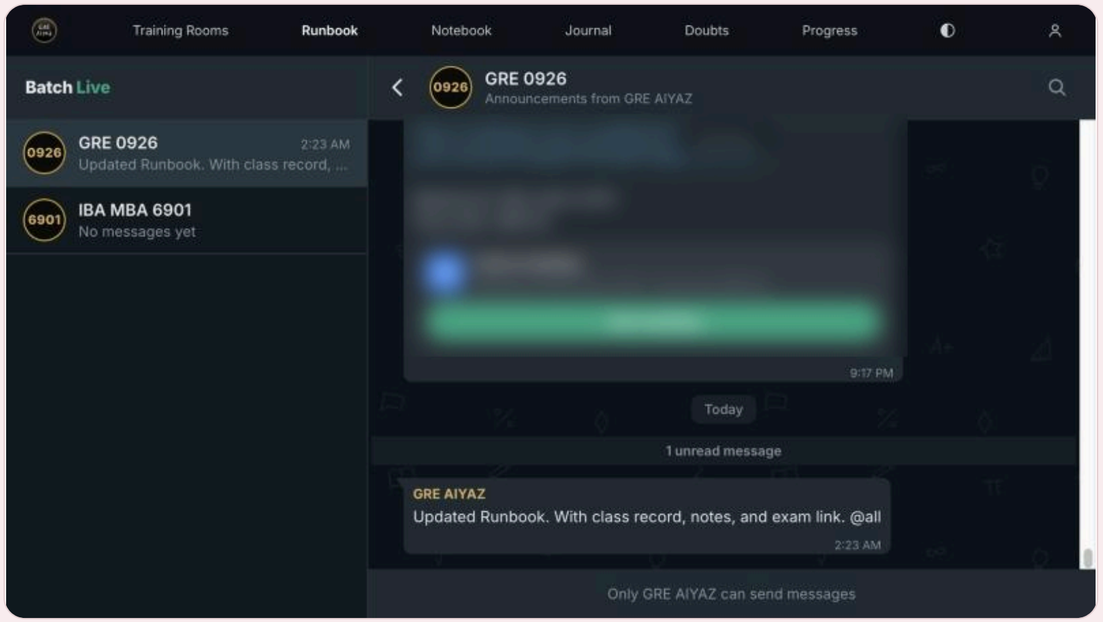
PROGRESS AND BATCH LIVE

Where you stand, and what's new



Progress

Your work across every room, with mock scores charted. Pick up where you left off on any device.



Batch Live

Class links, runbook updates and notices from Aiyaz. New ones show on your home page.

PART 2

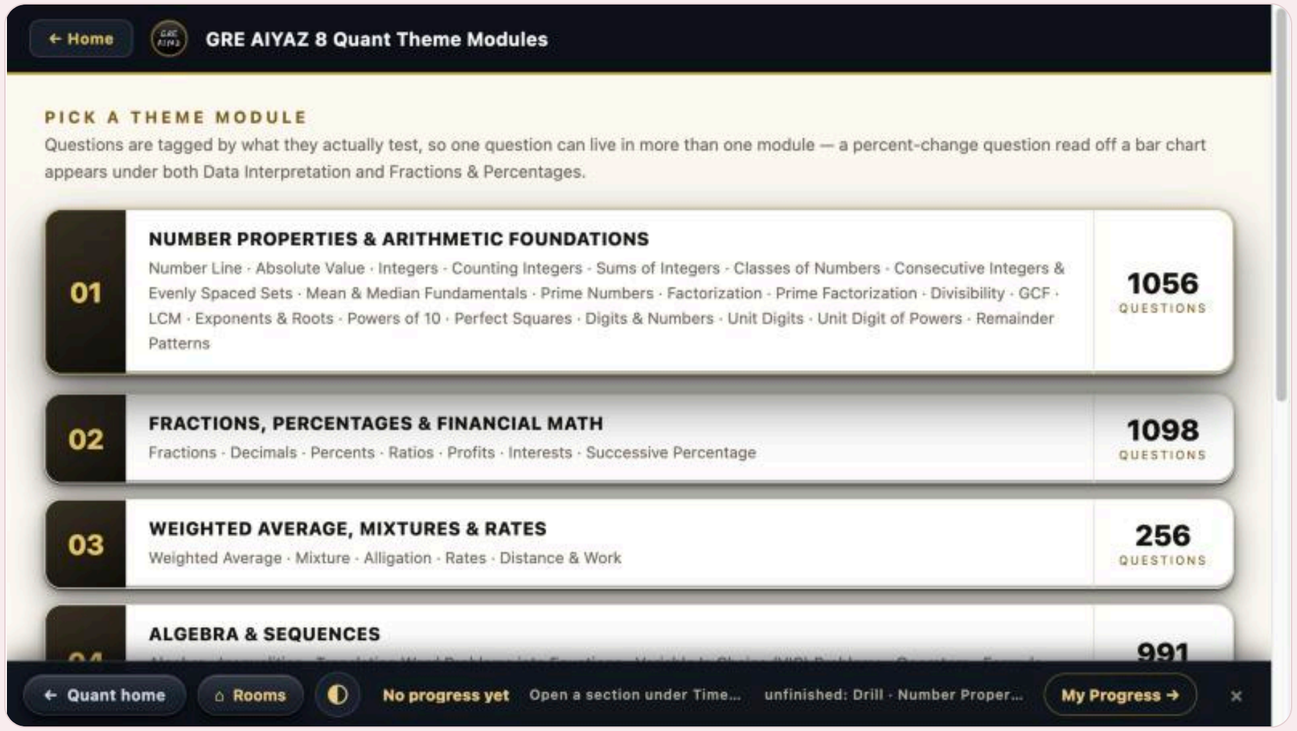
The GRE rooms

Quant · Verbal · Reading Comprehension · Full Length Mocks · Vocabulary · AWA

GRE QUANT TRAINER

Work by theme, then drill

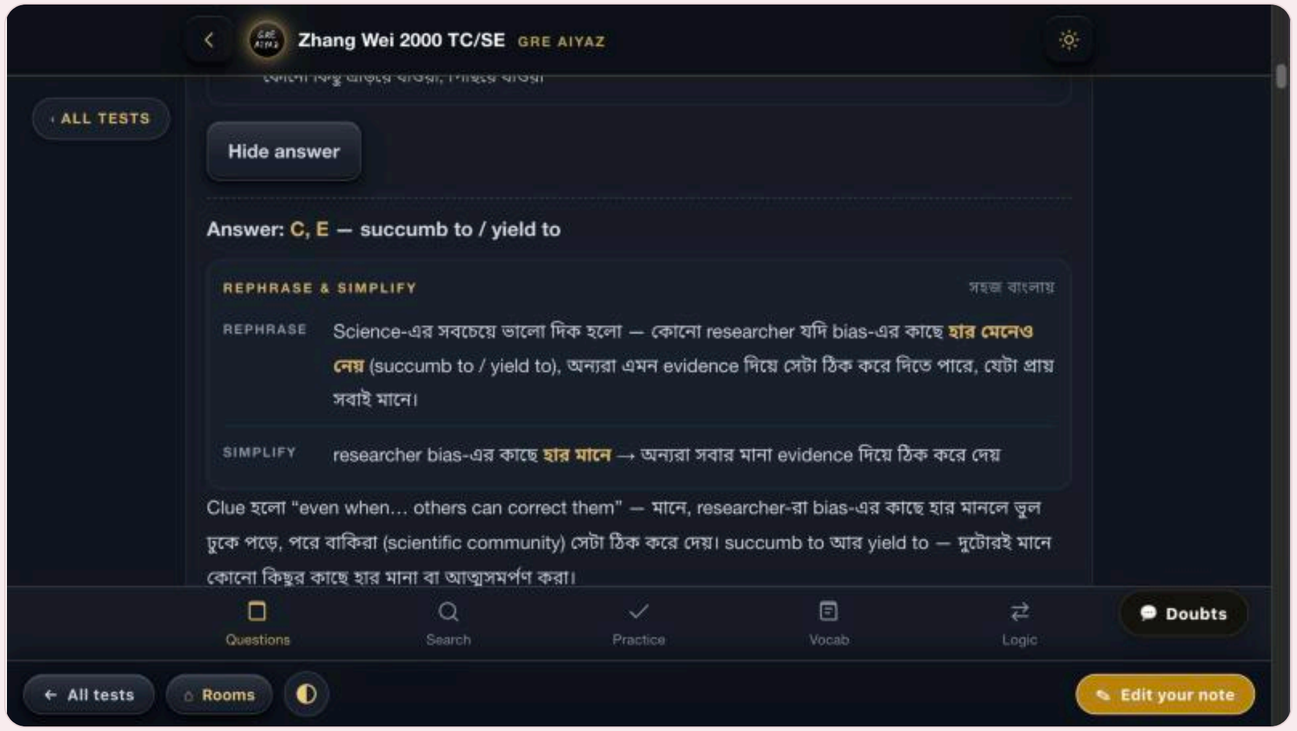
1. Pick a theme module, from Number Properties to Data Interpretation
2. Open Filters: subtopic, source, difficulty, question type
3. Study untimed with the solution, or press Drill these timed
4. Read the concept card and formula sheet when a topic is new
5. KMF 74 Sections run as timed sections



GRE VERBAL TRAINER · TC AND SE

Answer, then read the rephrase

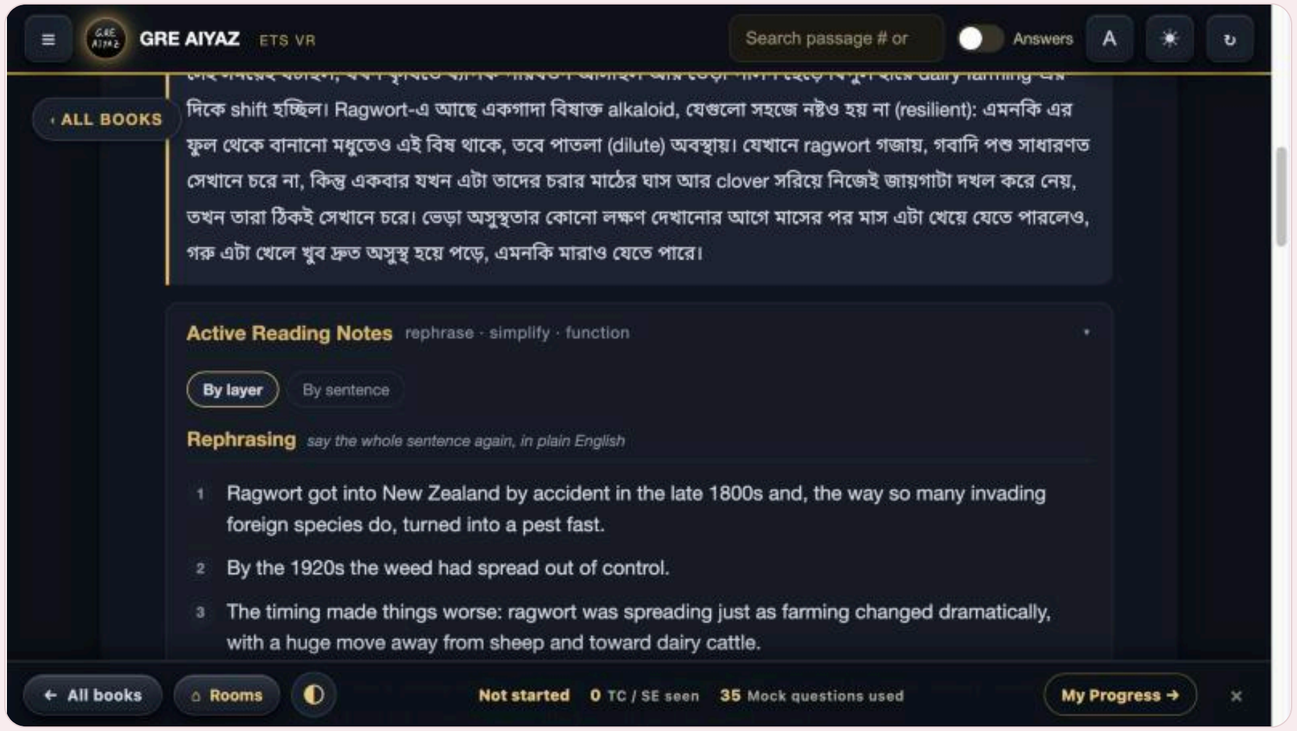
1. Pick a bank: Zhang Wei 2000 TC/SE, KMF Extra Verbal or ETS Official
2. Answer in English; tap বাংলা if a sentence won't open up
3. Press Show answer
4. Read Rephrase & Simplify: the sentence in plain words
5. Save new words from the Vocab tab



READING COMPREHENSION

Three ways through every passage

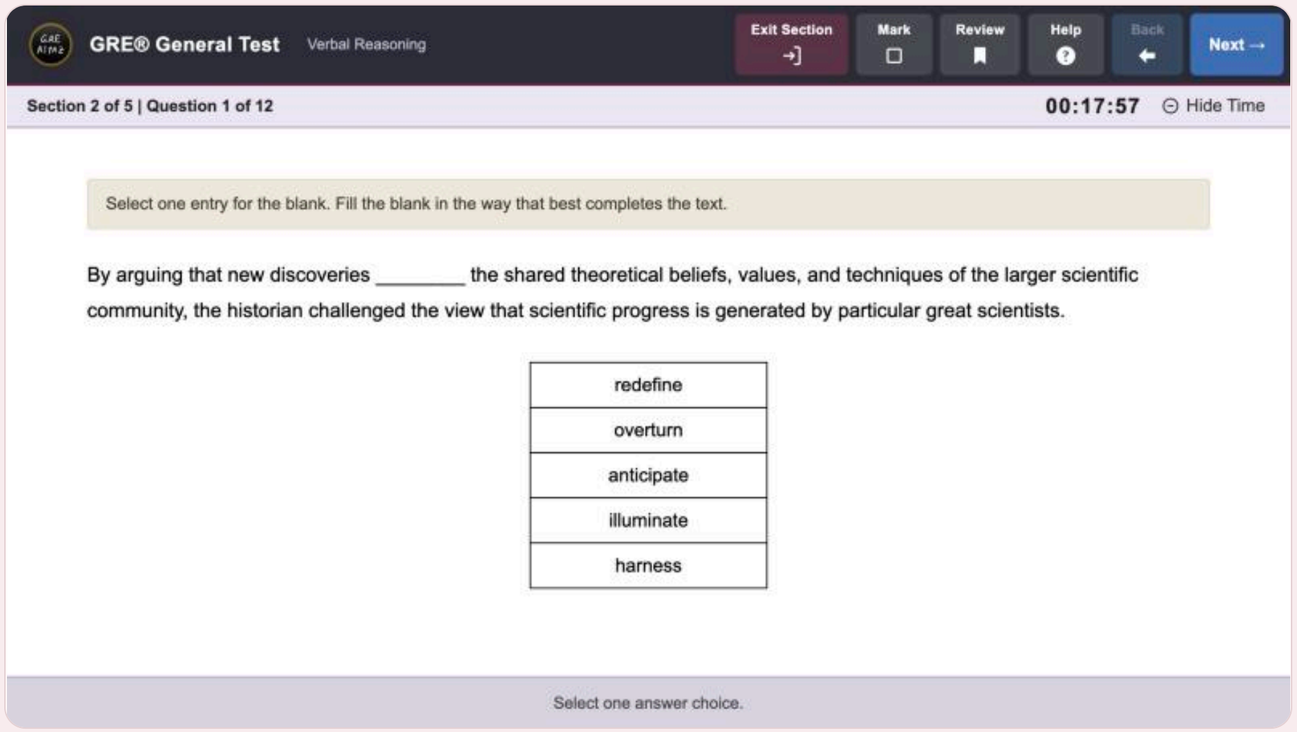
1. Study Untimed: read with Key Vocabulary and Sentence Structure open
2. Timed Rephrase: rephrase each sentence against the clock
3. Timed Practice: test conditions
4. Active Reading Notes: every sentence rephrased, simplified, its function named
5. Practice by Question Type to fix one weak type



FULL LENGTH MOCKS

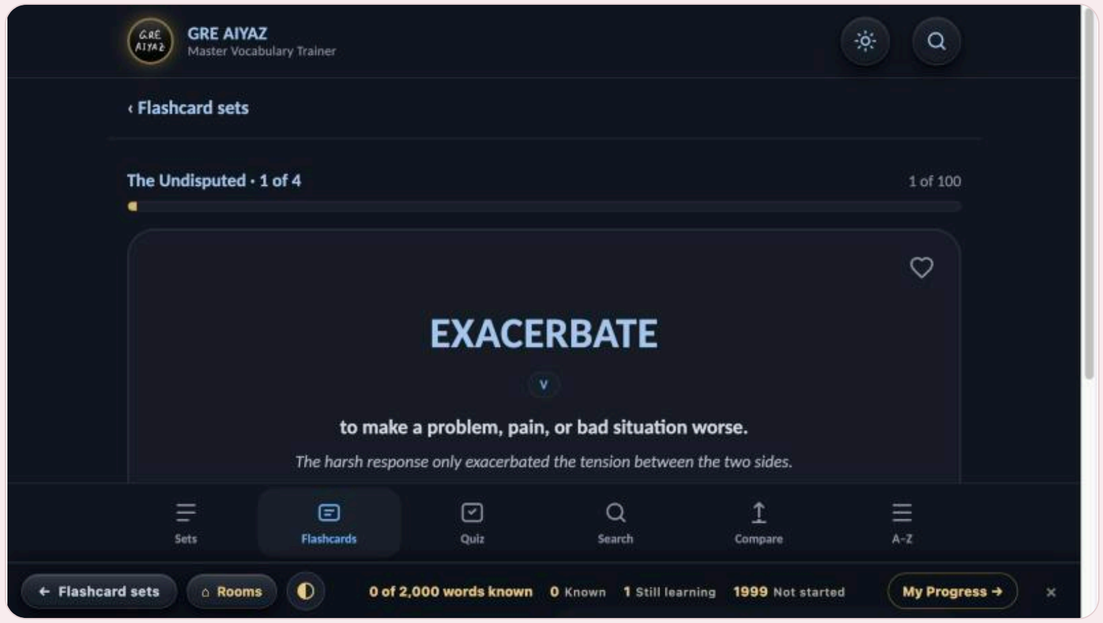
Sit it like test day

1. Pick a mock, or press Random mock
2. 54 questions, 88 minutes, four sections
3. Use the timer, Mark & Review and the calculator as on the real test
4. Get a scaled score; it is charted in Progress
5. Use the Question Index to find any of the 3,580 questions



VOCABULARY

Learn words in sets



Master Vocabulary Trainer

Open a set, study the flashcards, then take its quiz. Tap ♡ to save a word to your list.

Vocabulary Trainer Classic

5,362 words with word lists, quizzes and roots, for GRE and IBA. Free for every student.

AWA TRAINER

Learn the method, then write

1. Read The Method first
2. Study the Model Essay to see it applied
3. Use the Essay Bank: all 158 ETS Issue prompts, each with a model essay
4. Practice: write timed, then compare with the model
